Education

- **Seoul National University** *Mar. 2021 – Present*
  B.S. in Computer Science and Engineering
  Double Major in Mathematics
  - GPA: XX/4.30
- **Seoul Science High School** *Mar. 2018 – Feb. 2021*

Research Interest

- AI Infrastructure Software
- Scalable Accelerator Systems
- High-Performance Computing
- Parallel and Distributed Computing

Publications

- **[ASPLOS 2027] Confidential (Under Review)**
  Double-blind
- **[AICAS 2026] .... MRI-Based Prediction of Perineural Invasion**
  H. Go, Y. Han, K. Kim, J. Kim, D. Kweon, ***J. Jun****, et al.*
- **[AICAS 2026] Adaptive Routing for .... PNI Prediction**
  Y. Han, D. Kweon, K. Kim, H. Go, ..., ***J. Jun****, et al.*
- **[ICONI 2025] .... Tensor-Parallel Inference in Bandwidth-Bound Edge Systems**
  J. Jun
- **[ICCCN 2024] DDD: A DNS-based DDoS Defense Scheme Using Puzzles**
  H. Lee, T. Kang, S. Yang, ***J. Jun****, and T. Kwon*

Research Experiences

- **[Lab Name], [School name]** Seoul, South Korea
  [Position] (Advisor: [Name of Lab head]) *Jan. 20XX – Mar. 20XX*
- **[Lab Name], [School name]** Seoul, South Korea
  [Position] (Advisor: [Name of Lab head]) *Jan. 20XX – Sept. 20XX*

Teaching Experiences

- **SNU Science Career Mentoring Program .... (Computer Science)** Jun. 2023 – Nov. 2025
  Center for Educational Research, Seoul National University
- **General Education Peer Tutoring Program (Physics, Statistics)** Mar. 2022 – Jun. 2022
  SNU College, Seoul National University

Awards and Scholarships

- **Semiconductor Track Scholarship** *Jan. 2026 - Present*
  Semiconductor Specialized University
- **Runner-up, AI Robot Challenge** *Jul. 2026*
  Seoul National University Robotics Institute
- **Young Scientist Award, ICONI 2025** *Dec. 2025*
  Korean Society for Internet Information
- **Silver Award, Undergraduate Mathematics Competition (Div. 2)** *Nov. 2023*
  Korean Mathematical Society

Extracurricular Activities

- **Student Ambassador** Apr. 2023 – Feb. 2024
  SNU COSS New Energy Industry Program Office

Skills

- **Qualification** - Engineer Information Processing (Ministry of Science and ICT)
- **Language** - Korean(Native), English(Advanced, TOEFL iBT: XX/120)
